We can, if wished, arrange for pupils to take Royal Schools of Music exams so that pupils can stay on par with their English peers. However, as this option is expensive and pupils would have to travel for the exam, we can offer our own private exams which will be at the equivalent levels as the RSM but with our own certificates. In this way, pupils have a reference for their level. Grade 5 is equivalent to a GCSE; Grade 8 is equivalent to an A level, and is the standard level for entrance into most music schools and professional/good orchestras. Grade 5 is also a good standard for any pupil wishing to join any orchestra or band, including the Bandas here in France.

Please contact us (see above) if you are interested.
