

# Make a music video!

Work with a film making tutor to learn the professional techniques behind your favourite music videos and then make your own! Workshops include group activities leading to storyboarding, film making and editing. Two afternoons - 24€ for the two sessions including all materials.

Suitable for young people aged 12-17.

*Bryony Stephen is a film production graduate who has worked for seven years as a film making and animation tutor. Bryony was Head of Education for the BFI London Film Festival and has worked with BAFTA and the Barbican as well as with numerous schools, community groups and cinemas around London. Also a qualified and experienced EFL teacher she currently teaches and runs workshops throughout the UK and Europe.*
